

MONMOUTH COLLEGE

MEN'S SWIMMING RECORD BOOK

TEAM HISTORY

Monmouth first sponsored men's swimming as an intercollegiate sport in the winter of the 1927-28 academic year. The initial Midwest Collegiate Athletic Conference men's swimming championship meet was held in 1936, and women's swimming was added to the conference program in 1979. Monmouth fielded a men's team from 1927 to the late 1970s and officially dropped the sport after the 1981-82 season. The sport was re-introduced during the 2004-05 academic year. Prior to 2004, Monmouth had never fielded a women's team, but women were allowed to compete on the men's team. Swimming became an official women's sport in 2004-05.

**ALL-TIME TOP TEN PERFORMANCES and
ALL-TIME TOP TEN INDIVIDUALS (By Event)**

The following lists include the top ten all-time Monmouth performances and top ten Monmouth individuals in each event. Each event record is measured in yards based on a 25 yard pool. The performance lists include all regular-season and post-season competition and may include the same athlete more than once. Only an athlete’s best career performance may be ranked on the top ten individual list. The performance list shows the year and site of the performance; the individual list shows only the season in which the performance was recorded. Where necessary, manual times (MT) for track events have been converted to fully-automatic times (FAT) by adding 0.24 seconds and are denoted by a “C” after the time.
