

Dear New Student,

The Illinois Post-Secondary Educational Institution Immunization Law (Public Act 85-1315) requires that all new students show documentation of immunity to tetanus/diphtheria, measles, rubella and mumps before they can register for classes.

IMPORTANT: You will not be allowed to enroll in classes or move into your assigned residence hall until Monmouth College receives ALL immunization documentation.

The following table lists the minimum number of immunizations required by the State of Illinois as proof of immunity.

State Requirements:

Vaccine	Dosage	Required Intervals Between Doses
Tetanus/Diphtheria International (3) Non-International. (1)	International: Any combination of 3 or more doses of DTP, DT, or TD with most recent dose within 10 years of enrollment. Non-International: One or more doses with most recent within 10 years of enrollment.	At least 4 weeks between 1 st & 2 nd dose. Third dose received at least 6 months after 2 nd dose.
Measles (2)	Two doses of live measles vaccine on or after 1 st birthday. Lab titer or physician confirmed disease is also acceptable.	At least 30 days between doses.
Rubella (1)	One dose received on or after 1 st birthday or lab titer. History of disease is not acceptable.	
Mumps (1)	One dose received on or after the 1 st birthday or physician confirmed history of disease. Lab titer is not acceptable.	

✓ Have family physician complete the “**Certificate of Immunity**”. All dates and signatures must be filled in for it to be valid.

✓ Illinois residents may submit their school health form “**Certificate of Child Health Examination**”. ALL immunizations listed above MUST be listed. If not, obtain other signed documentation for other immunizations.

✓ Students born before 1/1/57 are **EXEMPT** from these requirements. Other exemptions are listed on the “Certificate of Immunity”.

If you have any questions, please call 309.457.2113.

Return the “Certificate of Immunity” ASAP so you can proceed with enrollment. Send form to:
