Legend

- **Bold** indicates course must be taken in this term.
- Underline indicates course must be taken in sequence.
- Regular type indicates flexibility when course is taken.
- As asterisk (*) indicates that a prerequisite exists for the course.

Notes:

I BIOL 302 is offered only in alternate years, so it must be taken whenever it is offered during the student's sophomore or junior years.

ADDITIONAL COMMENT

Students in this program receive a Monmouth College degree and must, therefore, complete the Monmouth College General Education requirements, as well as 93 semester hours (3/4 of the requirement for graduation).

Date Update: October 27, 2006
