

HEALTH CAREERS

OCCUPATIONAL THERAPY

Monmouth has a 3-2 affiliation in occupational therapy with Rush University in Chicago. The courses required by Rush are listed below. The program was designed so that students could major in Psychology, but that is not required.

PSYC 101 Introduction to Psychology

BIOL 111 Zoology

PSYC 231 Developmental Psychology

BIOL 204 Human Anatomy and Physiology

MATH 106 Statistics

One Additional Psychology Course

A Sociology or Anthropology Course
