Camp Directors

Dr. Bob Tucker and his wife, Judy, are 1965 graduates of Monmouth College. The Tuckers have been involved in education, athletics and youth camps at elementary through collegiate levels since their graduation. While at Monmouth College, Bob was a football and track athlete 1961-65, and coached those same sports 1967-69.

Together, the Tuckers have been directing the highly successful Loras College All-Sports Camp in Dubuque, Iowa for 27 years. In the summer of 2005, they brought the concept of an all-sports camp to Monmouth with the First Annual Monmouth College All-Sports Camp. They are very excited to be back at their alma mater bringing this concept of an all-sports camp for kids, which focuses on Christian values, sportsmanship, citizenship, and athletic skill development.

According to campers, parents, counselors, instructors and staff, the last four years of the Monmouth College All-Sports Camp have been great experiences. The Tuckers are looking forward to seeing you all at camp this year.

“Blessed is the man who perseveres under trial, because when he has stood the test, he will receive the crown of life that God has promised to those who love him .”

— James 1:12
